

2014 FIFA WORLD CUP GROUP D FIXTURE PLANNER

The land of **Suarez**, **Uruguay** can be your ideal base for exporting to Brazil and Argentina. Free trade zones as well as free port and free airport options are worth exploring.

Some of **England's** food and drink brands present in Latin America include Twinings, Fever Tree, Tate & Lyle, Patak's and Colman's.

Italy beats the UK on many machinery exports to Latin America, in sectors such as food and drink processing, packaging, conversion and plastics.

Costa Rica is the UK's second largest export market in Central America, after Panama.
